WOMEN SKIPPERS INVITATIONAL

Postponement Date: Sunday July 19, 2009

The *Women's Skipper Invitational* is celebrating its 9th anniversary. We welcome you to come and participate in this growing Genesee Yacht Club event. Although we encourage all women crews, it is not required, however a woman must be at the helm to participate in this Regatta. There will be a \$ 30.00 registration fee a portion of which will be donated to Alternatives for Battered Women as in 2008.

Friday evening features an informal gathering with light foods and hors d'oeuvres, giving skippers and crew an opportunity to relax and introduce themselves before the Saturday regatta. Saturday's regatta will have separate divisions for Spinnaker, Genoa Only and a Fun Fleet. The day starts off with an 8:00 AM registration and a free continental breakfast. At 9:00 AM there will be a pre-race skippers meeting for race instructions.

After the regatta, join us for an equally fun afternoon and evening. Our awards ceremony, along with a great picnic and musical entertainment, is truly a wonderful finish to this event. We hope to see you at Genesee Yacht Club for the annual Women Skippers Invitational.

Dock space will be available to visiting boats. Please call and RESERVE a dock ahead of time so we can make arrangements!

If you are interested in racing in this regatta and are in need of a boat because you are traveling from a distance or you don't have one, please contact us early so we can make arrangements. Boat owners in need of a woman skipper? Let us know.
